PLAYER REGISTRATION WEBINARS

Player Registration Online Support Programme

The Player Registration Team is hosting a series of support webinars including Drop In Clinics and Full Demonstrations. Whether you're a veteran of the system looking for a refresher or brand new to the process you're more than welcome to attend!

Demonstration – In this session we will demonstrate the full player registration process, explain how our grassroots technology products fit together & take any questions you may have

Drop In Clinic – In this hour, members of the player registration team will be on hand to answer any questions, solve any problems you may be encountering & demonstrating any process you would like a refresher on.

All sessions start at 7pm and can be accessed here - <http://bit.ly/PRSup19>
